Tour the main farm and  
greenhouses – learn about  
our sustainability practices

## Speakers

Earn 1-MCH Credit for the day

### Matt Foti

*Certified Arborist, Foti Landscape and Tree Service*

**Talk:** Proper planting techniques for container and B&B trees and shrubs. Updates on bare root transplanting. Pertinent information for anyone that designs, installs or maintains a landscape.

Learn some ideologies about plants in history and in other parts of the world to gain more insight about handling plants today and into the future.

Great information for everyone from field workers to company owners.

**Educational Credit:** 1-MCLP / 1-PDH (LA CES) / 1-APLD

### Jeff Gibson

*Landscape Business Manager, Ball Horticultural Company*

**Talk:** Will present insights on the shifting consumer and professional landscape markets and the newest roster of annual and perennial varieties that will appeal to both!

**Educational Credit:** 1-MCLP / 1-PDH (LA CES) / 1-APLD

### Taryn LaScola

*Chief Pesticide Inspector Massachusetts,  
Department of Agricultural Resources*

**Talk:** Review general requirements regarding recent EPA changes to the Worker Protection Standard (WPS).

**Educational Credit:** 1-MCLP Safety / 1-MA Pesticide Credit  
1-PDH (LA CES) / 1-APLD

### Dean Marsico and Derek Stearns

*DIY Network Co-hosts "Rock Solid" and "Indoors Out"*

**Talk:** Design techniques and a review of what's happening around the country in the stone and masonry business.

**Educational Credit:** 1-PDH (LA CES)

### Charles Vander Kooi

*Professional Estimator, Contractor, and Industry Consultant*

**Talk:** Three Cultures:

1. Good financial management
2. Production and a way to monitor it
3. How to organize your company so the owner is a leader rather than a dictator

**Educational Credit:** 1-PDH (LA CES)
